Major Steger In Close Call In Viet Nam

Major M. J. Steger, who is stationed at Nah Tang, Viet Nam, had a very close call on Friday, November 12th. Immediately after take-off, the engine on his bomber exploded. He was over the ocean by this time and there were many boats. He had bombs aboard which he had to release being careful not to hit any of the boats. Other than this, all the time he had was to radio his field tower. He crashed in the water and the plane with him inside sank before he could get out. After what seemed like an eternity he was able to get his Mae West inflated and surfaced. Believe it or not he was unhurt. Mike is due back in the States January 5th.

PLAN ONE SCHOOL DISTRICT FOR COUNTY

The Crawford County K-12 School Reorganization Study Committee met at the Grayling High School Library Wednesday evening, November 17, 1965. Culminating several months of study in all aspects of educational programs, this committee approved of a plan designed to merge the Frederic and Grayling Schools into one school district. This action was taken in compliance with Act No. 289 of the 1964 Michigan Legislature. This plan will be presented to the people of Crawford County at a Public Hearing to be held in the Grayling School-December 8, 1965 at 8:00 p. m. and at a Public Hearing to be held in the Frederic School on December 15, 1965 at 8:00 p. m. The plan must receive approval of the State Committee for School Reorganization before it can be presented to the voters of Crawford County.

Release Third Quarter Motor Vehicle Funds

LANSING—The Department of State Highways is distributing third quarter Motor Vehicle Highway Fund collections to Michigan counties and incorporated cities and villages.

Howard E. Hill, State Highway Director, said net receipts of the Highway Fund during July, August and September of 1965, amounted to \$52,436,035, an increase of \$3,376,660, or 6.9 per cent, compared to the same period of 1964.

The increase reflects a sharp upturn in summer vacation travel compared with 1964, Hill said.

Totals for the first nine months of the year show a 3 per cent increase of only \$5,843,060 more than receipts during the first nine months of 1964, he said.

Increased maintenance costs and an intensified safety program costing an added \$3 million this year will absorb the Department of State Highways' increase leaving no new revenue for new construction, he said.

Crawford County's share totaled \$68,097 while Grayling received \$4,229.

Coach Names Starters

Grayling Vikings To Open With Roscommon Bucks There Tuesday

The Grayling High Viking cage team for 1965-66 will get a first rate tryout at their opener next Tuesday, November 30, when they invade the gym at Gerish-Higgins High School to meet the Roscommon Bucks of the Northeastern Michigan Class C Conference.

New coach Franklin Smith of the Vikings will be getting the season underway with three returning regulars from last year plus five others who won letters last year. Added to this nucleus of eight are five players being moved up to this year's varsity squad from last season's junior varsity.

As of early this week, Coach thought that starters for the season's tipoff at Roscommon next Tuesday night would be: at forwards: Terry Wright and Dave Nethers; at center, LeRoy Neal; at guard slots: Pat Thompson at one with either Steve DuBois or John Sorenson at the other.

Other varsity squad members who Coach Smith said would see action before the game was over are: Dale Slusser, Kyle Slusser, Ari Wakeley, Dane Madsen, Mike Corlew, Bob Snook and Barry Holmes.

A junior varsity contest will kick off the evening program on Tuesday night. The Viking jayvees will be coached by Garrett Bufo and with a new bunch of hopefuls, it is impossible to tell at this time just what kind of a ball team the little Vikings will come up with.

REDCOAT ROUND-UP SUCCESSFUL

The Red Coat Roundup sponsored by the Grayling Area Chamber of Commerce was a highly successful venture, Grayling Area Chamber manager, Earl Longworth said. All participating groups did a fine job and the many additional hunters attracted along with the regulars were most happy, he continued.

Dr. H. J. MacKenzie of 4689 Lakeshore Drive, Port Huron, was the first hunter reporting in with his buck. Doc reported at 8:30 a. m. Saturday with a 120 pound six point buck that he had taken in the Hartwick Pines area.

He and his hunting partner, William Ward, have been hunting in the Grayling area for four years and this is the second buck that he has taken.

Derek McEvers of Grayling followed at 8:45 a. m. with a nice four point buck, but just 15 minutes too late for the first prize.

The first lady bringing in a buck to the Chamber of Commerce Buck Pole was Juli Buron of 807 Vine Street, Grayling, Michigan.

Crawford County Chamber of Commerce

Memo: To the People of Crawford County

From: Sam Truettner, President

Subject: The duties of the membership committee.

Their job as I told you is not a particularly pleasant one and it sometimes brings wails to the Chamber Office. It is their duty to figure out the assessments that the different members pay to the Chamber. They have no "axes to grind," they do not have it "in" for anyone and they do not pry into anyone's business.

They simply know this, some business places in town have what the tourist wants more than some of the others. If that is the case their cash register is going to ring louder and longer than the fellow down the street that does not have so much to offer. Not that his business is not attractive nor is it the wrong kind, but let's say he doesn't get as much direct tourist business as his neighbor. Well isn't it just good reasoning to think that the merchant with the fast ringing cash register should pay more than the merchant with the cash register that lags a little? I think this is only fair, don't you? The committee has had many meetings to figure out the correct assessments for each business. Of course they can make mistakes, they are only human. If some think their assessment is too high, the committee will be only too glad to meet with them and talk it over. Try them and see.

Note: Last weeks subject (Nov. 18th) should have read: Membership Committee and not Board of Directors.

All Set for Grayling

To Start Low Rental Units First of Year

The 50 units of low rental housing, 28 for the elderly and 22 for low income families, will be constructed on Grayling's south side next year. It is hoped to begin site work, such as tearing down present buildings and bulldozing the area to the right levels, shortly after the first of the year, Grayling Housing Commission President, Leon Rochette stated. Actual construction of the buildings is hoped to be underway by June of 1966.

The 28 units for the elderly will contain one bedroom apartment and two two bedroom living quarters. The 22 non-elderly low income apartments will be divided into 4 one bedroom units, 6 two bedroom units, 8 three bedroom units and 4 four bedroom apartments.

The site selected for the complex by the Housing Commission with concurrence from the Grayling City Council and the Public Housing Administration is from State Street as far as Date and over across Railroad Reserve to Fulton and Mikado. The area selected makes up about 5 1/2 acres through the middle of the south side of Grayling and should add a lot to the other property in the area.

The elderly and one and two bedroom apartments are planned to be one story brick, ranch type construction. The three and four

bedroom may be two story buildings. There will be a community room for each area, one for elderly and one for the non-elderly. A small playground is planned near the non-elderly community room where the children of the project can play while the mothers are doing the laundry and visiting. There will also be a management office and a maintenance office for the project. The grounds will be beautifully landscaped. Mrs. Lora Gould, Director of the Housing Commission and secretary to the board stated,

"These buildings will be buildings which we, as taxpayers, can be justly proud of and must last at least 40 years as that is the number of years we are under contract with the Federal government. The applicants will be screened very carefully. The object of the housing project is to make available to low income people and the elderly a nice comfortable home at a price that they can afford to rent and also to clear slum areas and make for a more attractive community. The tenants must be the type of an individual who will be proud of the project and try to keep it up nice. Just because a person is in the low income bracket, there is no excuse to be destructive and not keep the yard up and the place neat and clean. This is one of the factors that will be taken into consideration by the local commission in selecting occupants when the project is near completion. The rent on these apartments is very low compared to most rentals and the maintenance and upkeep must be taken care of from the rent, therefore, we must have pride in keeping a nice well kept project."

The Annual Contributions Contract signed by the Housing Commission with the Federal Government is for a grand total of \$892,380 and covers a period of 40 years.

The local housing commission is comprised of Leon Rochette, president, Arnold Mauren, Claribel Goss, Burton McWilliams and Lora Gould, Director and Secretary. The office is in the City Hall and the telephone number is 348-9314. If you have any questions, please feel free to call or stop in.

Each group, elderly and non-elderly will have their own club or organization and will be encouraged to plan entertainment both for fun and education. A potluck once a week is encouraged, especially for the elderly.

RECORDS 4 U

The Crawford County Library has 14 records that may be borrowed for your listening pleasure and "painless" education. They are listed below and will be available through December.

At the Friends of the Library meeting last week, members heard excerpts from several of these records. Plans were discussed to ready the meeting room in time for the December 14th meeting. More folding chairs are needed, and would be appreciated as well as Christmas items to decorate the children's room.

A "thank you" is given to Mrs. Diane Phillips for the Halloween decorations and to the Robertson Greenhouse for their donation of plants and vines. These have been placed in the west stairwell and will eventually fill the area with green foliage—that will be both decorative and functional.

Following is the list of available records at the Library: "Van Cliburn Plays Chopin", "Songs and Dances of Great Lakes Indians", "Rhapsody in Blue", "The Nutcracker Suite", "Toscanini", "Te-haikowsky", "Lipatti with the Philharmonic Orchestra", "Contemporary American Music", "The Rubaiyat read by Alfred Drake", "The Fall of the Roman Empire", "Negro History", "Dances for Orchestra", "Basil Rathbone recites Poe", "The Little Engine That Could", "Ogden Nash", "Robert Frost", "Mr. President", "Romeo and Juliet", "Messiah", "Dickens' Christmas Carol", "Christmas Carols on the Organ", "Carols for Christmas."

Deer Opening Safe In Crawford County

No fatalities or gun shot woundings were reported in Crawford County for the opening of the 1965 deer season, Crawford County Sheriff Arthur Clough reports.

There were a number of minor property damage vehicle accidents several "lost" hunters and many, many messages to deliver to hunters seeking deer in the county area, however, the Sheriff stated.

Joseph Stripes Hosts To Exchange Student

The Senorita Josette Salhan y Beirut of Mexico City, a first year university student, will be the house guest of Mr. and Mrs. Joseph Stripes as an exchange student from Mexico for the next couple of months. Mr. and Mrs. Stripes and Rhea will meet Josette, 18, at the Grand Rapids airport Saturday and bring her here. She will be attending Grayling High School during her visit.

Letters To The Editor

Editor's Note — The following is a copy of a letter sent to the Grayling City Council by Mrs. Doris Case.

November 16, 1965
Dear Sirs:
I am officially entering to you a complaint against your choice of a City Manager. As his superiors, I think should know about, I have a heart condition and also am diabetic for which I take insulin. On Friday, November 12th at 8 a. m., Mr. Cliff did come to my home, knocked, opened the door and did assault by very obscene language with a message for my son, Delbert Case, and thereby cause a nervous reaction to me from the shot of insulin and heart pills I had just taken. Which also lead to a crime of assault and battery charges against my son. I visited Mr. Allison, Prosecuting Attorney, asking for a warrant for Mr. Cliff's arrest, which he refused to issue me... but I am going to carry these charges further and see what right Mr. Allison had to refuse me this warrant. I consider my home as my refuge by which I can shut myself out from the troubles of the outside going on. If your manager has a right to enter anyone's home and abuse, what right as a citizen have we? So I think your choice as a manager shows poor judgement.
Sincerely,
Doris Case,

BIG BOOK

The atlas is quite an armful. Chip had a time lugging it down off the shelf, but he wanted, once again, to look at some of the fascinating pictures.

He's a small boy for such a big book. Maybe he doesn't understand all of it. But it whets his curiosity, and the curiosity of a small boy is truly insatiable.

Even as Chip glances at the pictures, questions are racing through his mind. And to whom will he address these questions? To you!

When youngsters ask questions, it is up to us, supposedly "grownup" and therefore wiser, to try to give them the right answers. In this day of sometimes dubious and changing values, that isn't always easy. We must first make sure that we have the true basic answers ourselves. There is no surer way of doing this than by arming ourselves with the faith and wisdom found in the Holy Scriptures and in our churches.

A Treasure in our Midst...

This is your personal invitation to drop in at the new county library. See what an amazing variety of books and magazines are there for your use and enjoyment. Some can help in your work and your hobbies; others are pure entertainment.

There are books and magazines particularly appealing to those of us who are fortunate to live amid enchanting woods and sparkling rivers where birds and other animals abound.

For example: "Autumn Across America" by the noted naturalist-author-photographer, Edwin Way Teale. Traveling from coast to coast some years ago, Mr. Teale visited Crawford County. He had a fascinating canoe ride down the AuSable's South Branch and Main Stream. That's a real "local angle."

Would you like to be in Mr. Teale's shoes? He's solidly booked up until 1972! If he completes all the books expected of him by his publishers. Some of us would relish a backlog of work like that. And some of us, heaven forbid, wouldn't.

That sidelight on Naturalist Teale's future activities appears in Audubon—one of the finest magazines available for your use in the library. These are just examples; there are many others that can surprise and delight you as you get acquainted with them.

From the Friends of the Library, this is your standing invitation to treat yourself to some of the finest books and magazines available anywhere.

Guest Editorial By George W. Munford

Blood Donor Need

To do worthwhile volunteer work is one thing. To stick with the worthwhile work, week after week, month after month, year after year is another and more demanding thing.

One of the greatest volunteer programs, one which does incalculable good and offers the bonus of that feeling of satisfaction that each of us seeks, is being a blood donor in the Crawford Co. Red Cross Blood program.

The Red Cross appeals for new donors.

The rewards of giving blood are so obvious we need not list them, but the greatest is the satisfaction a donor has that because of him (or her) somebody else is alive today... some great man, some valued person, a wife, a little tot.

"Oh Promise Me" given by the Junior Class Tuesday night was a huge success. The cast has worked unselfishly for the last month and many compliments go out to Mrs. Marius Hanson who sacrificed much of her time to make the play a real success. Barry Hollis, the main character in the show, was portrayed by Allan Stevenson, who did a brilliant job of acting. His aunt, Sue Hollis, was played by Mildred Smith. You extend full sympathy to this woman whose household is upset by Barry's numerous love affairs. June Hollis, his sister, is played by Billyann Clippert, who in Barry's estimation never says the right thing at the right time. Bob Nelson, who portrays the part of Seth Miller, Barry's lawyer, pulls him out of many a scrape at the crucial moment. Further the family butler is played by Fred Smith. Jeanne Hanson portrays the lovely Ann Furber. Patsie Linden, the dancer from Hoboken, taken by Ernestine Stephan, spends most of her time trying to teach her mother to "act refined." Patsie's mother, the ex-burlesque queen, is played by Nelle Welsh. Miss Gladys Vance the gold digger from Boston is played by Jane Milnes. Arlene Vincent takes the part of Kathleen, the Irish maid. Ralph Sanders, Don Sorenson in real life, a slicker from New York who continually pesters Ann to marry him until Kathleen sees him. Mrs. Jones, the young mother, is taken by Pat Chappel. From the opening curtain to the last, the play is packed with a lot of clean, whole-

some humor. Music for between acts is furnished by Louis Kraus, Dick Dawson, Barbara Borchers, Wanda Dorah and Nelle Welsh.

Miss Thelma Cavanaugh, daughter of Mr. and Mrs. Phillip Cavanaugh, and Albert Makky, son of Mrs. Grace Markby of Grayling, were married at 9 o'clock Saturday, Nov. 7, in the rectory of the St. Johns Catholic Church in Standish with Rev. Father E. P. Labory reading the ceremony. Miss Phyllis Cavanaugh, sister of the bride, was her maid of honor and wore a suit identical to that of the bride's with matching accessories. Douglas MacDaniel attended the bridegroom as best man. A wedding breakfast was held immediately following the ceremony at the home of the bride as was the reception and dance held in the evening at which 176 guests were present. The happy couple will make their home in Pontiac where the groom is employed.

Farewells were spoken at the send-off dinner given for the Crawford County young men who were about to leave to take their parts in Uncle Sam's defense army at Michelson Memorial Church last week. Thursday evening. There were over 150 men and women present. Twenty local boys were to leave for the front, 15 of whom were present at the banquet. Also there were others in the service. All the boys were introduced by Alfred Hanson, secretary-treasurer of the U.S.O. Those introduced were as follows: George Richard Wakeley, Charles Peter Kellogg, Anthony Bernard Green, Lyle E. Johnson, Carl L. Miller, Donald R. Corwin, Clayton E. Budd, Pvt. Donald Charron and Lt. John Henry Peterson (in the Air Corps), Robert Hanson Welsh, Edward Martin, Ezra Penscola Essner, Edward Wehnes, Jack Lionel McClain, George Cholo, Don Akers and Harold Jankowski enlisted in the Navy.

Word was received by Mr. and Mrs. Emil Kraus Saturday that

their son William Kraus, who is with the U. S. Marines, had arrived overseas. They had not heard from him since Oct. 11. They also received a letter Tuesday written on board ship.

Miss Ione Lett of Plymouth came home Tuesday to visit her father Dave Knuth who is ill. Nyland Houghton returned to his duties as bookkeeper at the Alfred Hanson Garage Tuesday after an absence of 10 days because of illness.

Corporal Earl Gierke is home from his post in Flushing, N. Y. on furlough and to be here for the 55th wedding anniversary celebration of his parents, Mr. and Mrs. Adam P. Gierke. All of the family are here for the occasion.

Andy Hardy, Wes Burgess and "the all-American kid Red" Nichols entertained some of their Grayling friends at a delicious turkey dinner Tuesday night. Guests included Mr. and Mrs. Clarence Johnson, Mr. and Mrs. Harold MacNeven and Mr. and Mrs. Alfred Hanson.

William Lowe of Cheboygan spent the weekend at home with his parents, Mr. and Mrs. David Lowe.

"Tiny" Russell filled his deer license this season to the tune of a big 8 point buck weighing 170 pounds.

Mr. and Mrs. Herbert Trudeau and daughter Guinevere and friends of Bay City spent the weekend at their home here.

Bud Smith of the U. S. Navy who is stationed in South Dakota and was on furlough was here on Sunday.

Homer Annis of Midland spent the weekend at his home in Beaver Creek with his wife and family. Mr. Annis is employed in Midland.

George Schaible was one of the lucky nimrods to bag his buck on one of the opening days of the season.

Leon Johnston of Beaver Creek, son of Mr. and Mrs. Norman John-

ston, left last Friday for Camp Custer where he was sent after he joined the armed forces.

Sunday, Miss Kathryn Charron of Saginaw was home to spend the day with her parents, Mr. and Mrs. Albert Charron and to see her brother Don, who is home on furlough from the army.

Mr. and Mrs. Barlund Eldred of Detroit spent the weekend visiting the latter's parents, Mr. and Mrs. John Brady. Miss Helen Brady was also home from Detroit for the weekend.

Miss Patricia Roberts is home from M. S. C. East Lansing, for the holiday recess visiting her mother, Mrs. A. L. Roberts.

A letter received by Mrs. Roy Warner says that her son Hal is now located in Hawaii and that Paul is also at that place.

Miss Rose Mary Charron came home Monday from Mt. Mercy Academy, Grand Rapids, where she is majoring in journalism to spend the Thanksgiving vacation with her parents, Mr. and Mrs. Albert Charron. She came in time to see her brother Don, who was home on furlough from Coffeyville, Kans. The latter returned to his post Tuesday.

Those some 125 people who attended the U.S.O. perch fry that was held in one of the mess halls at the Hartwick Pines camp Sunday enjoyed the supper and the games a lot. Grant Thompson was the chef and those who were there say the perch were fried to perfection. Grant can cook them as well as catch them. The proceeds nicely swelled the U.S.O. fund.

Monday the boys and girls of the Grayling High School enjoyed another holiday from their studies due to the fact that the furnace stoker was on the blink again.

Dear Mr. Strong:

I should like to give a corrected version of the walk-away incident described in the first paragraph of the article on that subject. John Martin walked away from Camp LaVictoire Thursday, November 11, at approximately 10:30 a. m. During his wanderings in the woods, he came upon three hunters and requested them to bring him back to camp. John has been retained in the camp program.

Sincerely,

SCHOOL BAND NEWS

We concluded our candy sale in the past week. It was quite a success. We made \$165. The top three salesmen were Paula Lovely, who sold 26 boxes; Gary Ashman, who sold 20 boxes; and Jamie Welsh, who sold 17 boxes. The band gave each a box of candy for their salesmanship. We also gave candy to Marilyn Johnson and Sandy Kelly who were the chairmen and kept track of the candy money.

The Band Boosters club held their annual potluck dinner at the elementary school on Tuesday, November 9. Afterwards a business meeting was held. New officers were elected. They were Jack Rasmussen, pres.; Ivan Nethers, vice-pres.; Mrs. Vernon Gardiner, sec.; and Mrs. Kenneth Wyman, treas.

On November 22nd the Tonette class at the elementary school presented a short concert at the P. T. A. meeting.

During the basketball season the band will perform at the Friday night games only. We have decided that we will not wear uniforms. The band, through our president Joe Wakeley, voted that the girls will not be allowed to wear slacks or shorts. We feel it looks much better for the girls to wear dresses or skirts and blouses.

At the present time the band is practicing the songs for the festival to be held in February. The required song has not been chosen yet. We are practicing "The Good Daughter", "Smoky Mountain Suite", and "Jederman". For our selected march we are going to play the Michigan State University Marching Song.

4-H GUN SAFETY

The Sharp Shooters were Sharp Shooters on Nov. 9, 1965. The Sharp Shooters have an assistant John Wilcox Jr. We Sharp Shooters made a sharp looking target out of one hundred fifty-five old drums, about two feet of dirt, a piece of wood a box with the target hooked to it by four nails. Kip Papendick, our leader, had three boys at one time down the basement where the target was and the boys shot two rounds a piece while our new assistant had the rest of the boys in the garage showing them how to uncork a gun, climb over a fence, and how to carry a gun when other people are around you. The only person who hit the bulls eye was Roger Johnson by luck. The gun we shot with was a .22 pump. On Nov. 11, 1965 we had a movie on "Safety On". It showed not to out a loaded gun on your foot or jump on log piles or camouflage your self with black or have a loaded gun in the car. Our next meeting will be after Dec. 5, 1965 because our leader works nights.

Chamber of Commerce Minutes

Regular meeting, Grayling
Regional Chamber of Com-
merce, November 11, 1965,
Long's Restaurant.

Members Present: Billie Forbes,
Bill Kraus, Chuck Kroll, John La-
tuszek, Ed Rutkowski, Sandy
Thompson, Sal Truettner, Bill
Tufts, and Don Welsler.
Members Absent: None.

Also Present: Earl "Chum"
Longworth.

Guest: Natalie Koch, Chairman
Queens Committee.
Meeting called to order at 12:10
p. m. by President Sal Truettner.

A treasurer's report and list of
bills was read by Treasurer Billie
Forbes. Motion by Bill Kraus, se-
conded by Ed Rutkowski that this re-
port be accepted and all bills paid.
All Ayes.

A new Chamber member, The
Side Pockets Billards, was ap-
proved and welcomed to the Gray-
ling-Regional Chamber of Com-
merce.

Mail: The request for a dona-
tion to the Boy Scouts was pre-
sented by Manager Longworth. Be-
cause it is not the policy of the
Chamber to make donations, a
motion was made by Billie Forbes,
seconded by Ed Rutkowski that this
request be returned with a note of
explanation. All Ayes.

A Red Coat Roundup report was
made by Chum Longworth. Pre-
liminary plans are going good,
flyers are out, news releases have
been made to the Avalanche and
downstate papers, and Mr. and
Mrs. Bruce Carlson have given
permission to use their vacation
trailer as an information office to
be parked downtown November 19,
20, and 21. All prizes to be awarded
during deer season will be in the
form of gift certificates from local
places of business. The community
buck pole will be at Don Leggs,
and this place of business will also
be the weigh-in station. A hunter
must be registered to be eligible
for prizes.

Chum Longworth reported on the
Ski Fair which he and Marilyn
Longworth attended last weekend.
Although the crowd was not as
big as last year, it was a good show.
Reasons for a smaller attendance
were three. 1. Lack of Publicity;
2. Metropolitan Ski Club's did not
participate this year; 3. Increase
to \$2.00 entrance fee.

Work on the new County bro-
chure is underway. Carol Wertz
and Chuck Kroll are working together
on copy and pictures. John La-
tuszek is working on the county map.
Mr. Kroll pointed out that the new
brochure is necessary for the
Chamber participation in travel
shows this winter and for inquiry
answers on vacationing in Cra-
ford County.

Bill Tufts suggestion that a
county "points of interest" map be
placed in the rest area south of
Grayling is being investigated.
Sal Truettner reported on the
1965 Michigan Week meeting that
she and Billie Forbes attended No-
vember 8th. They are bursting with
information and ideas for a big
Michigan Week and will start on it
immediately. She asked Chum
Longworth if the Chamber Office
could work as a coordinating office
for this event.

Natalie Koch reported on the
Queens Committee. She wishes to
thank the merchants for their fine
response. A band has been se-
cured to play for the Miss Grayling
Pageant which will be held Satur-
day night, November 27, at the
High School Gym. Mrs. Koch's
plans as reported point to a fine
evening of entertainment.

Chum Longworth reported the
Christmas Decorating fund is grow-
ing. Bear Archery is cutting the
candles and canes. Dick Johnson
is doing the decorating and the
City of Grayling the installation.
It is hoped that Christmas decora-
tions can be ready about Decem-
ber 1.

New Business: Chum Long-
worth stated the Chamber ad in E.
M. T. A. Playtime Guide will need
confirmation by December 1st. It

was felt that because of the Cham-
ber participation in the new Ski
Brochure, and Travel Show parti-
cipation that only a 1/2 page adver-
tisement should be placed in the
E. M. T. A. Playtime Guide. A
motion was made by Bill Kraus
and seconded by Ed Rutkowski
that a 1/2 page advertisement be
placed in said guide. All Ayes.

The possibility of a United Fund
in Grayling instead of the many
solicitations we now have was dis-
cussed. Bill Kraus with the help
of Bill Tufts agreed to look into this
matter.

Because our next meeting date
falls on Thanksgiving, it was de-
cided to hold it on Wednesday, No-
vember 24.

Motion by Bill Tufts, second by
Don Welsler that this meeting be
adjourned at 1:10 p. m.

Next meeting to be held Novem-
ber 24, 1965 at Wertz's Lone Pine
Inn.

Maple Forest

By Miss Bessie Feldhauser and Mrs. Arthur Howse
Our Home Study Group met on Tuesday evening at the home of Carrie Baynam. Nine members and two guests were present. Mrs. Esther Weaver gave a report on the new housing development in Grayling. We honored Dora's Birthday and Mrs. Betty Beck received shower gifts. The next meeting will be Nov. 30 with Loretta Plagus and we will have a Chinese auction. Mr. and Mrs. Clifford Beck are moving into Lucille Whitcomb's house.

Mr. Bert Plagens returned home from Richmond recently. Mrs. Opal Hamblin spent a week end in Flint recently also visited her daughter, Dawn Meybon at Pinckney.

It was good to see lights in so many houses during the opening days of hunting season. We wish it could be that way all the time. The Arthur Howses are leaving this week to spend Thanksgiving at Flushing with their daughter Joyce Reed and family and expect to go on to spend the winter in Florida at Intercession City.

Mrs. Janet Hale and two children are spending a few days at the home of her parents, the Ivan Hamblins.

Mrs. Mabel Armstrong will be at the home of her daughter in Farmington this winter. Mr. and Mrs. Joe Moyer have returned from Greencastle, Indiana.

Mr. and Mrs. Earl Lovely of Grand Rapids were weekend guests at Arthur Howse. Mr. and Mrs. Jack Smith of Jackson are at the home of his parents, the Clyde Smiths, for a few days of hunting.
